## HOMEOWNERS POLICY PROGRAM MANUAL

### GENERAL RULES

The Homeowners Policy Program provides property and liability coverages, using the forms and endorsements specified in this Manual. This Manual contains the rules and classifications governing the writing of the Homeowners Policy. The rules, rates, forms and endorsements for each coverage of Southern Oak shall govern in all cases specifically provided for in this Manual. The Homeowners Program is to be used for risks originally assumed from Citizens Property Insurance Corporation. The Voluntary Homeowners Program is to be used for other risks.

---

#### **100. Policy Forms**

---

Southern Oak provides the following base policy forms:

- A. Homeowners Three (HO-3) Special Form – SOI – 2000 03
- B. Homeowners Four (HO-4) Contents Broad Form – SOI – 2000 04
- C. Homeowners Six (HO-6) Unit-Owners Form – SOI – 2000 06

---

#### **101. Limits of Liability and Coverage Relations**

---

- A. The limits of liability required under the Homeowners policy are as follows:

<b>Coverage</b>	<b>HO-3</b>	<b>HO-4 or HO-6</b>
<b>SECTION I - PROPERTY COVERAGES</b>		
<b>“A” - Dwelling</b>	Limit subject to Min/Max	Limit subject to Min/Max
<b>“B” - Other Structures</b>	10% of “A”	Not Applicable
<b>“C” - Personal Property</b>	50% of “A”	Limit subject to Min/Max
<b>“D” - Loss of Use</b>	10% of “A”	10% of “C” - (HO-4) 20% of “C” - (HO-6)

#### **SECTION II - LIABILITY COVERAGES (ALL FORMS)**

<b>“E” - Personal Liability</b>	100,000 Minimum (Increase Option Avail.)
<b>“F” - Medical Payments To Others</b> Avail.)	2,000 Minimum (Increase Option

Unless otherwise stated, Coverage “E” limits apply on an “occurrence” basis; Coverage “F” limits on an “each person” basis.

- 
- B. **FORM SOI 2000 03-** Under Coverage “B” of Section I, an additional amount of insurance may be written on specific structures in an amount not to exceed 30% of Coverage “A”. In addition, Coverage B options of 2% or 5% of Coverage A may be selected. Coverage B may also be excluded.
  - C. **FORM SOI 2000 03 –** Under Coverage “C” of Section I, coverage may be endorsed for replacement cost coverage with a minimum coverage amount of 25% of Coverage “A”.

---

**102. Eligibility**

---

**A. FORM SOI 2000 03 — A Homeowners Policy may be issued:**

1. To the owner-occupant of a dwelling which is used exclusively for private residential purposes and contains not more than two (2) families and with not more than two (2) boarders or roomers per family; or
2. To the purchaser-occupant who has entered into a long-term installment contract for the purchase of the dwelling and who occupies the dwelling but to whom title does not pass from the seller until all the terms of the installment contract have been satisfied. The seller retains title until completion of the payments and in no way acts as a mortgagee. The seller's interest in the building and premises liability may be covered using Endorsement **HO 04 41 - Additional Insured**; or
3. To the occupant of a dwelling under a life estate arrangement when the Coverage "A" amount is at least 100% of the dwelling's replacement cost. The owner's interest in the building and premises liability may be covered using Endorsement **HO 04 41 - Additional Insured**; or
4. When a 2-family dwelling (duplex) is occupied by co-owners, each occupying distinct living quarters with separate entrances. Given these circumstances, a Homeowners Policy providing building coverage may be issued to only one of the co-owner occupants of the dwelling. The policy may be endorsed to cover the interest of the other co-owner in the building and for premises liability by using Endorsement **HO 04 41 – Additional Insured**. A separate Homeowners Policy **SOI 2000 04** may be issued to the co-owner occupying the other apartment in the dwelling.

It is permissible to extend the Homeowners Policy, without additional premium charge, to cover the interest of a non-occupant joint owner in the building and for premises liability by using endorsement **HO 04 41 - Additional Insured**.

**B. FORM SOI 2000 04 - A Tenant Homeowners Policy may be issued to:**

1. The tenant (non-owner) of a dwelling or an apartment situated in any building; or
2. The owner-occupant of a dwelling, cooperative unit or of a building containing an apartment not otherwise eligible for a Homeowners Policy under General Rule 102.A. above, provided:
  - a. the residence premises occupied by the insured is used exclusively for residential purposes, and

- b. not occupied by more than one additional family or more than 2 boarders or roomers, and
- c. this portion is designated by an apartment number or other positive identification.

**C. FORM SOI 2000 06 - A Unit Owners Homeowners Policy may be issued to:**

1. The owner(s) of a condominium or cooperative unit which is used exclusively for residential purposes, and
2. is not occupied by more than one (1) additional family, or more than two (2) boarders or roomers.

---

**103. Secondary Residence Premises**

---

Homeowners coverage on a secondary residence premises shall be provided under a separate policy.

---

**104. Underwriting Principles**

---

**A. Underwriting Philosophy** - To assure continued financial stability and competitive rates, the agent and the underwriter must carefully select the risks Southern Oak writes. In general, the insured property must show pride of ownership exhibited by property in good repair. Additionally, the risk must be properly insured to value, have an acceptable loss history, have updated utilities, be well maintained and reflect excellent housekeeping, have a roof in good repair and must meet all the requirements outlined in the manual.

Each application will be considered on its individual merits.

**B. Personal Inspection** – The agent is the Company's front-line underwriter and is required to inspect all new business, including rewrites to new locations. The inspection should include:

1. Accurate measurement of the building if building coverage is requested.
2. Photographs as required. Photographs are an important underwriting tool for both the agent and the underwriter. Certain risk characteristics are revealed which assist greatly in the underwriting process and enable you to better assess risk desirability and insurance needs. Consequently, agents are encouraged to

submit a photograph on all applications, even when it is not required.

The agent's inspection of the property should at a minimum confirm the following:

- Photographs submitted fairly represent the structure to be insured.
- Substantiates the data entered on the Replacement Cost Calculator.
- The physical condition of the structure is acceptable and does not indicate unreported signs of existing damage, disrepair or neglect.
- There are no unusual or obvious hazardous conditions not indicated in the application.

Southern Oak retains the right to inspect properties to verify underwriting characteristics.

**C. Application** – The agent is Southern Oak's front line underwriter. As such, a fully completed application is essential to evaluate the risk and to identify special coverage needs. The applicant and agent's signature is required.

Only approved Southern Oak applications shall be used as evidence of a binder. No other document shall be used to represent or confirm the initiation of coverage placement with Southern Oak.

All premium deposits shall be submitted with each application on a gross remittance basis. The agent must submit all bound applications and corresponding monies to Southern Oak within 72 hours of receipt.

At no time shall the premium deposits be less than that which was paid by the insured, mortgagee or other payor.

**No funds should be accepted on NON BOUND applications.**

**D. Insurance to Value** – Proper insurance to value is an essential part of the underwriting process. Insurance to value protects the policyholder, agent and company by providing the policyholder adequate coverage for losses, while generating adequate premium for the exposure. The need for adequate protection far outweighs the small premium saved by purchasing less than full replacement cost.

Southern Oak requires that building coverage be insured at 100% of replacement cost. The amount of coverage is to be determined based

on replacement cost and not the market value.

Requests for insurance amounts greater than replacement cost estimates need careful review, particularly when the market value is substantially less than the limit requested. If the coverage amount requested is greater than 125% of the calculated replacement cost, the application must be submitted **unbound with appropriate documentation justifying coverage request.**

**E. Replacement Cost Estimates** – Southern Oak provides replacement cost estimates based on the characteristics of the risk. These estimates are expected to be within plus or minus 10% of the replacement cost. The replacement cost calculator must be used on risks with building coverage up to \$500,000.

Homes that have unique characteristics may lead to inaccurate replacement cost estimates produced by the Replacement Cost Calculator. These risks may be submitted to Southern Oak non-bound with documentation justifying the difference in the replacement cost calculation. Southern Oak will allow the property to be insured up to 125% of the replacement cost calculated.

**F. Inflation Coverage** – Inflation coverage is mandatory for HO-3 building coverage provided by Southern Oak. Coverage increases resulting from the inflation coverage provision provide the policyholder with needed protection at the time of loss while also protecting the agent and company. Other Section I blanket limits will be adjusted accordingly.

**G. Flood Requirements** – Insureds with properties in Special Flood Hazard Areas, as defined by the National Flood Insurance Program (NFIP) (e.g. A, AO, AH, A1-A30, AE, A99, V, V1-V30, VE) must sign **SOI 04 01** Flood Affirmation form, confirming awareness that flood insurance is not provided under this policy.

**105. Coverage Basics****A. Property**

1. Homeowners – Provides replacement cost coverage on structures and actual cash value on personal property.
2. Tenants – Provides replacement cost coverage on improvements and betterments and actual cash value on personal property.
3. Condominium Unit Owners – Provides replacement cost coverage on additions and alterations that are not the responsibility of the condominium association and actual cash value on personal property.

**Note:** Replacement Cost Coverage on personal property may be purchased.

**B. Liability, Including Medical Payments**

1. Liability – Provides individual named insureds with combined single limits of \$100,000.
2. Medical Payments – Provides limits of \$2,000.

**Note:** Refer to rating section to determine if additional limits are available.

**106. Binding Authority**

This section provides a summary of coverage binding limitations and photo requirements.

**Maximum and Minimum Binding Limits Summary -** Coverage limits outside the ranges established below cannot be bound and must be referred to Southern Oak for review.

	HO 3	HO 4	HO 6
<b>Cov A – Dwelling</b>			
Max	750,000	N/A	300,000
Min	70,000	N/A	1,000 incl.

**Cov B – Other Structures**

Max	30% of Cov A	N/A	N/A
Min	0% of Cov A	N/A	N/A

**Cov C - Contents**

Max	70% of Cov A	150,000	300,000
Min	N/A	6,000	6,000

**Cov D - Loss of Use**

<b>10% of Cov A</b>	<b>10% of Cov C</b>	<b>20% of Cov C</b>
---------------------	---------------------	---------------------

**Cov E - Liability**

Max	300,000	300,000	300,000
Min	100,000	100,000	100,000

**Cov F – Medical Payments**

Max	5,000	5,000	5,000
Min	2,000	2,000	2,000

**Photo Requirements**

HO 3 Two properly angled photos providing front and rear views of the risk are required. One photo is also required of each outbuilding and pool. Homes less than four years of age do not require photos and inspection unless the hip roof credit is requested or there is a pool on the premises.

HO4 & HO6 Front and rear photos when applicant occupies a unit of a 1-4 family dwelling.

**107. Hurricane or Tropical Storm Binding Suspension**

Due to weather conditions such as tropical storms or hurricanes Southern Oak Insurance management may restrict the binding of coverage for a period of time to reduce the liability associated with imminent weather conditions.

**108. Uninsurable Properties**

(New and renewal business unless noted otherwise)

The following risks may not be insured with Southern Oak.

**DO NOT SUBMIT** risks exhibiting any of the following characteristics:

- A. Risks owned by a corporation, partnership or association.
- B. Vacant or Unoccupied Dwellings.
- C. Occupancy by three or more unrelated individuals.
- D. Rooming/boarding houses.
- E. Bed and Breakfast operation with more than two rentals and not owner occupied.
- F. Occupancy by more than one family, without a second means of exit from each floor, including basement units.

- G.** Child Care that does not qualify as a Family Day Care under Section 219.
- H.** Adult/Senior Day Care or Adult Family Home Care that do not qualify as a Family Day Care under Section 219.
- I.** Risks being remodeled, relocated or under construction.
- J.** Risks in disrepair or with existing damage, including Outbuilding or other structures. This includes risks with a roof that has visible signs of leaks or unrepaired damage.
- K.** Risks which have been condemned due to condition, properties located in a condemned area or properties in an area scheduled to be condemned due to urban renewal or highway construction.
- L.** Non-conventional or Do It Yourself Construction.
- M.** Multiple Unit Dwellings converted from single family home.
- N.** Properties in which the "Insured location," including the residence premises, other structures, or grounds to be insured experienced a sinkhole loss or any other earth movement and the sinkhole loss payment or payments made by Southern Oak and/or any other insurer equals the policy limits for property damage provided under Coverage A; **OR**  
 Properties in which the "Insured location," including the residence premises, other structures, or grounds to be insured has experienced a partial sinkhole loss or any other earth movement and the "Insured Location" has not been repaired in accordance with the engineering recommendations upon which any payment or earth movement repair recommendation was based.  
 Prior to submitting an application for coverage on such property, the applicant must select and retain, at his own expense, the services of a geotechnical engineer acceptable to Southern Oak. Any application for coverage on such property must be accompanied by an inspection and certification report, prescribed by Southern Oak, from a geotechnical engineer acceptable to Southern Oak.
- O.** Risks with two or more losses, not including acts of God, within the last 36 months prior to the effective date requested.
- P.** Risks with attractive nuisance such as trampolines, skateboard ramps, empty pools, cars on blocks, abandoned cars, out door appliance not in-use, etc. This is not a complete list and is intended to assist in understanding the intent of the rule is to limit undesirable liability exposure.
- Q.** Risks with pools or hot tubs not completely fenced, walled or screened and/or have a diving board. Fence or wall must be a permanent installation with a minimum height of four (4) feet and be constructed of materials that provide a reasonable barrier to entry.
- R.** Risks with a basement. Does not apply to split, bi-level or tri-level homes.
- S.** Manufactured Homes and Tenants in Manufactured Homes.
- T.** Unacceptable adjacent exposures including commercial property located within 300 feet from the property line. This exclusion does not apply to HO-6 policies and HO-4 policies that are not a one or two family dwelling.
- U.** Risks built on landfills including landfills previously used for refuse.
- V.** Risks located in protection class 10. Risks less than 5 years old may be written in protection class 10.
- W.** Risks with wood-burning stoves.
- X.** Any portable space heaters.
- Y.** Risks with no prior insurance. Not applicable to HO 4, Tenant policy.
- Z.** Risks with a solar system retrofitted installation on an existing residence, not including pools.
- AA.** Risks not having circuit breakers for all electrical needs or risks with any hazardous electrical condition.
- BB.** Risks with broken, sagging, or unsupported steps or stairs. Steps or stairs with more than two steps require handrails.
- CC.** Poor maintenance of sidewalks and other areas.
- DD.** Risks with trees touching any insurable structure.
- EE.** Risks whose applicants were canceled or non-renewed for material misrepresentation.
- FF.** Risks whose applicants were convicted of insurance fraud or arson.
- GG.** Property Constructed over water.
- HH.** Inaccessible Property – Properties not readily accessible year-round to fire department equipment.
- II.** Commercial Exposure – Properties where business is conducted. Two salient elements to help identify a "business" include:
  - a. A profit motive, and
  - b. Continuity of the activity
- JJ.** Market Value/Replacement Cost Ratio – Properties with Market values less than 75% of the replacement cost, excluding the land values.
- KK.** Risks located within 1,000 feet of tidal water unless the risk is in a Citizens wind pool area and

- the wind has been excluded from the Southern Oak policy.
- LL.** Risks located on a farm, ranch, orchard or grove.
- MM.** Risks with any livestock or saddle animal exposure.
- NN.** Risks with vicious or exotic animals or any animals with a history of attack or biting.
- OO.** Condominium Unit Owners where Coverage A has been increased as a substitute for a master policy or adequate coverage by the master policy (i.e. large deductible, wind/hail exclusion, etc.).
- PP.** Resort area condominiums or Investments Condominium rented to others on a weekly or less basis.
- QQ.** The foundation is other than a continuous masonry construction. Openings for crawl spaces are acceptable.
- RR.** Risks with three or more mortgagees.
- SS.** Risks Over 20 Years Old –

a. Exception – These properties may be insured and bound by the agent if documentation is received confirming the following:

1. Roof Cover with:
  1. Composite shingles have been updated within the last ten (10) years, or
  2. Clay or cement tile or metal roof has been updated within the last twenty (20) years, **and**
2. Electrical – Home is serviced by a minimum 150 amp circuit breaker box and has been updated within the last twenty (20) years, and
3. Plumbing has been updated within the last twenty (20) years, and
4. Heating has been updated within the last twenty (20) years.

## 109. Non Binding Submissions

Risks that are deemed ineligible may be submitted **NON-BOUND** to Southern Oak Insurance Company for consideration. The following guidelines must be followed for consideration.

- A.** Risks must be submitted for review and approval prior to binding.
- B.** Identify the underwriting rule(s) and/or circumstance(s) that have not been met.

**C.** Two properly angled photos providing front and rear views of the risk are required. One photo is also required of each outbuilding and pool.

**D.** Complete a Replacement Cost Evaluator.

## 110. Construction Definitions

- A. Frame** — exterior wall of wood or other combustible construction, including wood ironclad, stucco on wood or plaster on combustible supports.  
Aluminum or plastic siding over frame.
- B. Masonry Veneer** — exterior walls of combustible construction veneered with brick or stone.
- C. Masonry** — exterior walls constructed of masonry materials such as adobe, brick, concrete gypsum block, hollow concrete block, stone, tile or similar materials and floors and roof of combustible construction (disregarding floors resting directly on the ground.).

## D. Superior Construction

1. **Non-Combustible** — exterior walls, floors and roof constructed of, and supported by metal, asbestos, gypsum, or other non-combustible materials.
2. **Masonry Non-Combustible** — exterior walls constructed of masonry materials (as described in C. above) and floors and roof of metal or other noncombustible materials.
3. **Fire Resistive** — exterior walls, floors and roof constructed of masonry or other fire resistive materials.

**Note: Mixed (Masonry/Frame)** — a combination of both frame and masonry construction shall be classed and coded as frame when the exterior walls of frame construction (including gables) exceed 33- 1/3% of the total exterior wall area; otherwise class and code as masonry.

## 111. Single Building Definitions

- A.** All buildings or sections of buildings which are accessible through unprotected openings shall be considered as a single building.
- B.** Buildings which are separated by space shall be considered separate buildings, regardless of roof connections.
- C.** Buildings or sections of buildings which are separated by:
  1. A six (6)-inch reinforced concrete or an eight (8)-inch masonry party wall; or

2. A documented minimum two (2) hour non-combustible wall that has been laboratory tested for independent structural integrity under fire conditions; which pierces or rises to the underside of the roof and which pierces or extends to the inner side of the exterior wall shall be considered separate buildings. Accessibility between buildings with independent walls or through masonry party walls described above shall be protected by at least a Class A Fire Door installed in a masonry wall section.

---

**112. Policy Period**

---

The policy may be written for a period of one year and may be extended for successive policy periods by an extension certificate based upon the premiums, forms and endorsements then in effect for Southern Oak.

---

**113. Changes or Cancellations**

---

- A. It shall not be permissible to cancel any of the mandatory coverages in the policy unless the entire policy is cancelled.
- B. If insurance is increased, cancelled or reduced, the additional or return premium shall be computed on a pro rata basis, subject to the minimum premium requirement.

---

**114. Manual Premium Revision**

---

A manual premium revision shall be made in accordance with the following procedures.

- A. The revision shall apply to any policy or endorsement in the manner outlined in the announcement of the revision.
- B. Unless otherwise provided at the time of the announcement of the premium revision, the revision shall not affect in-force policy forms, endorsements or premiums, until the policy is renewed.

---

**115. Transfer or Assignment**

---

Transfer or assignments are not available. New applications are required.

---

**116. Whole Dollar Premium Rule**

---

Each premium shown on the policy and endorsements shall be rounded to the nearest whole dollar. A premium of fifty cents (\$.50) or more shall be rounded to the next higher whole dollar.

In the event of cancellation by Southern Oak, the return premium will be carried to the next higher whole dollar.

---

**117. Minimum Premium and Waiver of Premium**

---

- A. The minimum written policy premium applicable is as follows:
  - 1. HO-3 policy form is two-hundred seventy five dollars (\$275).
  - 2. HO-4 and HO-6 policy forms are one-hundred seventy five dollars (\$175).
- B. Additional or return premiums of five dollars (\$5) or less shall be waived. Southern Oak shall grant any return premium due if requested by the insured.

---

**118. Payment Plan Options**

---

The Payment Plan applies to policy premium only. All policy fees are due at policy inception. The selected payment plan must be indicated on the application. All future renewals will be billed the same way unless otherwise instructed by the insured or agent.

- A. Full Pay
- B. Two Pay – 60% down and the remaining 40% due on the 180<sup>th</sup> day from policy effective date.
- C. Four Pay – 40% down and the remaining due in 20% installments due on the 90<sup>th</sup>, 180<sup>th</sup> and 270<sup>th</sup> days from policy effective date.
- D. Eight Pay – 30% down with 7 equal installments due on the 60<sup>th</sup>, 90<sup>th</sup>, 120<sup>th</sup>, 150<sup>th</sup>, 180<sup>th</sup>, 210<sup>th</sup> and 240<sup>th</sup> days from policy effective date.
- E. Installment Fees  
There is a \$10 one time service fee and an installment fee of \$3 added to each installment.
- F. Premium Finance Agreements are accepted by Southern Oak. If this payment option is selected, the Premium Finance Agreement **must be submitted with the application**. The application must also clearly indicate the Premium Finance Company. In addition, all premium submission rules outlined in Section 104, Part C. would apply.

## ENDORSEMENT OPTIONS, SURCHARGES AND DISCOUNTS

### **200. Endorsement Options, surcharges and discounts**

The following is a list of endorsement options, policy surcharges and credits that may be applied to a policy based on risk characteristics and policyholder choices.

<b>Topic</b>	<b>Section Number</b>	<b>Form Number</b>
Additional Insured	201	HO 04 41
Additional Interest	202	HO 04 10
Additions and Alterations	217	HO 17 52
Age of Home	214	Dec Page
Animal Liability	233	SOI 04 03
Building Code Effectiveness Grading Schedule (BCEGS)	238	Dec Page
Citizens Property Insurance Corporation Emergency Assessment	208	Dec Page
Citizens Property Insurance Corporation Regular Assessment	207	Dec Page
Deductibles	216	SOI 04 09
Earthquake Coverage	227	HO 04 54
Emergency Management Preparedness and Assistance Trust Fund	206	Dec Page
Family Day Care in the Home	219	Dec Page
Flood Coverage	240	SOI SD FEC

Personal Property – Increased / Reduced Limits	232	Dec Page
Premier Homeowner Endorsement	300	HO 04 20
Replacement Cost Coverage – Personal Property (Coverage "C")	215	HO 04 90
Scheduled Personal Property	221	HO 04 61
Seasonal or Secondary Residence	225	Dec Page
Section II – Liability and Medical Payments – Increased Limits	222	Dec Page
Silverware	230	SOI 04 05
Superior Construction	203	Dec Page
Townhouse or Rowhouse	212	Dec Page
Units Regularly Rented to Others	231	HO 17 33
Windstorm Mitigation Features	239	
Windstorm or Hail Exclusion	223	HO 04 89

**201. Additional Insured**

Sections I and II (Co-Owner or Additional Insured). The interest of a co-owner or another additional insured with an interest only in the residence premises may be covered for no additional premium. List on application.

**202. Additional Interest**

The interest of another party may be requested regarding Cancellation and Non-Renewal notification by listing on the application. If we cancel or non-renew this policy, the parties named will be notified in writing.

**203. Superior Construction**

The premium for a dwelling or apartment unit is computed by multiplying the masonry **BASE PREMIUM** for a comparable dwelling or apartment unit by a factor of **.85**.

**204. Florida Hurricane Catastrophe Fund Recoupment**

Florida law allows an insurer to recoup premiums charged by the Florida Hurricane Catastrophe Fund. The insurer must adjust their rates to remove that portion of the rates attributable to catastrophe losses expected to be covered by the Florida Hurricane Catastrophe Fund. This charge is included in the base premiums and it is therefore not displayed separately on the Declarations Page.

**205. Florida Insurance Guaranty Association**

FIGA regular and emergency assessment surcharges apply on all Homeowner policies.

1. Multiply the 2012 regular assessment recoupment factor .01% by the GRAND SUBTOTAL. The effective date of this factor is September 1, 2016. This recoupment charge will be in effect for a period of one year or until fully recouped, whichever comes first.
2. Additional premium endorsements will be subject to the applicable surcharge increase while return premium endorsements will affect a decrease in the applicable surcharge.
3. In the event of policy cancellation, return premiums on this surcharge shall be calculated on a pro rata basis.

Automatically added to the declarations page, if applicable.

**206. Emergency Management Preparedness and Assistance Trust Fund**

An annual surcharge of two dollars (\$2) shall be imposed on every policy as required by Florida law. In accordance with Florida Statute 252.372, this surcharge is not considered premium.

**207. Citizens Property Insurance Corporation Regular Assessment**

Florida law provides that in the event Citizens Property Insurance Corporation levies a regular assessment on authorized insurers for a particular plan year, Southern Oak policyholders shall be subject to surcharges equal to the assessment charged to Southern Oak Insurance Company. Citizens may levy more than one assessment at a time.

Automatically added to the declarations page, if applicable.

**208. Citizens Property Insurance Corporation Emergency Assessment**

Florida law provides that in the event Citizens Property Insurance Corporation levies an emergency assessment on authorized insurers for a particular plan year, Southern Oak policyholders shall be subject to surcharges equal to the assessment charged to Southern Oak Insurance Company. Citizens may levy more than one assessment at a time.

Automatically added to the declarations page, if applicable.

**209. Managing General Agency Fee**

On business written pursuant to the provisions of Section 626.7451, Florida Statute a \$25 policy fee will be charged to every policy on new and renewal business. This policy fee will be a component of the company's rate filing and it shall be fully earned. The policy fee is non-commissionable.

**210. Ordinance or Law Coverage**

A limit of liability of 25% of the Coverage "A" policy limit is automatically included.

A limit of 50% of the Coverage "A" policy limit may be purchased.

For **HO-3** policies, Multiply the **BASE PREMIUM** by the applicable factor below.

**HO-3**                    .04

For **HO-4** policies, Multiply the KEY PREMIUM by (.25 additional coverage x Number of \$000 of Additions and Alterations coverage) by the factor below.

**HO-4** .0185

For **HO-6** policies, Multiply the KEY PREMIUM by (.25 additional coverage x Number of \$000 of Coverage A) by the factor below.

**HO-6** .0185

Attach **SOI 04 10** – Ordinance or Law Increased Limits.

## 211. Home Alert Credits

### A. General

Certain burglar alarms, fire alarms and sprinkler systems in a dwelling will be recognized for a reduced premium. The amount of the credit is computed by multiplying the **BASE PREMIUM** by the appropriate factor shown below.

### B. Burglar Alarm – Central Station Reporting

A credit factor applies to all professionally installed, functioning central station systems reporting alarm system.

A credit of .03 is applied.

### C. Fire Alarm – Central Station Reporting

A credit factor applies to all professionally installed, functioning central station reporting fire alarm systems.

A credit of .04 is applied.

### D. Automatic Sprinkler Systems

**1. Class A:** A credit factor applies to all functioning automatic sprinkler systems professionally installed in accordance with nationally accepted fire sprinkler design standards. The automatic sprinklers must be in all areas except that attics, bathrooms, closets and attached structure areas may be protected by fire detectors in lieu of sprinklers.

A credit of .04 is applied.

**2. Class B:** A credit factor applies to all functioning automatic sprinkler systems professionally installed in accordance with nationally accepted

fire sprinkler design standards. The automatic sprinklers must be in all areas including attics, bathrooms, closets and attached structure areas.

A credit of .07 is applied.

### E. Discount Limitations

The maximum credit factor granted for a central station reporting burglar alarm and central station reporting fire alarm is .05.

### F. Required Documentation

For burglar and fire alarms, a legible copy of the certificate of installation that includes a current monitoring agreement or a current legible copy (not more than one (1) year old) of the monitoring subscription agreement.

For automatic fire sprinkler systems, a copy of the certificate of installation from a sprinkler contractor licensed per Florida Statute 633.021 is required. The sprinkler contractor must hold either a Class I, II or IV license and must certify that the installation substantially complies with National Fire Protection Association (NFPA) sprinkler standard 13, 13D or 13R.

Alternatively, documentation that the building has been specifically rated by the I.S.O. will suffice.

### G. Endorsements

Attach **HO 04 16** "Premises Alarm or Fire Protection System".

## 212. Townhouse or Rowhouse

**Note: Not applicable to HO-4 or HO-6 policies.**

The premium for an eligible 1 or 2 family dwelling in a townhouse or rowhouse structure is computed by multiplying the **BASE PREMIUM** by the appropriate factor below.

Total No. Of Individual Family Units Within The Fire Division	Protection Class 1-8 8B, 1Y-8Y	Protection Class 1X-8X, , 10 & 10W
1 & 2	.00	.00
3 & 4	.10	.15
5 – 8	.25	.30
9 & Over	.40	.45

**214. Age of Home/Year Built**

Each policy will receive a discount or surcharge to the nonwind premium based on the age of the home. In addition each policy with wind coverage will receive a surcharge factor to the wind portion of the initial policy premium of 1.20 if the home was built prior to 1995, according to the Wind/Nonwind Computation Rule. Please refer to the following table to determine appropriate charges. The age of home factor below is applied to the non-wind portion of the initial policy premium, according to the Wind/Nonwind Computation Rule.

Age of home verification is required for credit. Acceptable documents include: certification of occupancy, copy of property appraisal or any other document Southern Oak deems acceptable.

<b>Age</b>	<b>Factor</b>	<b>Age</b>	<b>Factor</b>	<b>Age</b>	<b>Factor</b>
0	0.65	13	1.04	26*	1.20
1	0.68	14	1.06	27*	1.20
2	0.72	15	1.08	28*	1.20
3	0.75	16	1.10	29*	1.20
4	0.78	17	1.11	30*	1.20
5	0.83	18	1.12	31*	1.20
6	0.90	19	1.13	32*	1.20
7	0.92	20*	1.14	33*	1.20
8	0.94	21*	1.15	34*	1.20
9	0.96	22*	1.16	35*	1.20
10	0.98	23*	1.17	36*	1.20
11	1.00	24*	1.18	37*	1.20
12	1.02	25*	1.19	38+*	1.20

\*All homes 20 years or greater require the following updates:

1. Roof Cover with:
  - a. Composite shingles must have been updated within the last ten (10) years, or
  - b. Clay, tile or metal roof must have been updated within the last twenty (20) years, **and**
2. Electrical – Home serviced by a minimum 150 amp circuit breaker box and updated within the last twenty (20) years, **and**
3. Plumbing has been updated within the last twenty (20) years, **and**
4. Heating has been updated within the last twenty (20) years.

**215. Replacement Cost Coverage – Personal Property (Coverage "C")**

- A. For **HO3**, Coverage "C" must be written at 25% of Coverage "A". The premium to extend the limit of liability for Coverage "C" to include Replacement Cost Coverage is computed by multiplying the **BASE PREMIUM** including any premium adjustments for Coverage "C" by 0.15.
- B. For **HO4** and **HO6**, the premium to extend the limit of liability for Coverage "C" to include Replacement Cost Coverage is computed by multiplying the **BASE PREMIUM** by 0.35.

Use Endorsement **HO 04 90** Personal Property Replacement Cost.

**216. Deductibles**

All policies are subject to a deductible that applies to loss from all Section I perils.

All policies with wind coverage will be subject to Endorsement **SOI 04 09** Calendar Year Hurricane Deductible. This endorsement explains the application of the hurricane deductible on an annual/single season basis.

The base deductibles are 2% Hurricane (Minimum \$500), applicable only to policies with wind coverage, and \$1,000 for All Other Perils. Other deductible options are available, subject to the primary coverage limit of the policy. The primary coverage for HO3 policies is Coverage A. The primary coverage for HO4 and HO6 policies is Coverage C.

Policies with primary coverage limits of \$100,000 or greater are not eligible for the \$500 hurricane deductible option.

The combination of \$1000 AOP and \$500 hurricane is not offered for HO4 or HO6 policies. The combination of \$2500 AOP and 2% hurricane is only offered for policies with primary coverage above \$125,000. The combination of \$5000 AOP and 2% hurricane is only offered for policies with primary coverage above \$250,000. The \$5000 AOP deductible is only available for HO3 policies.

For policies choosing the combination of \$500 AOP and 2% hurricane deductibles, we guarantee we will not nonrenew for reasons reducing hurricane loss for one renewal period. The hurricane deductible will not exceed 2%.

Hurricane deductible options may only be amended effective at the normal policy renewal date. A policy may not be rewritten to circumvent this restriction.

The AOP deductible factor below is applied to the non-wind portion of the initial policy premium, according to the Wind/Nonwind Computation Rule.

AOP Deductible	HO3 Factor	HO4 Factor	HO6 Factor
\$500	1.17	1.14	1.17
\$1,000	1.00	1.00	1.00
\$2,500	0.91	-	0.84
\$5,000	0.84	-	-

The hurricane deductible factor below is applied to the wind portion of the initial policy premium, according to the Wind/Nonwind Computation Rule.

Hurricane Deductible	HO3 Factor	HO4 Factor	HO6 Factor
\$500	1.21	1.04	1.04
2%	1.00	1.00	1.00
5%	0.82	-	0.87
10%	0.73	-	0.76

Use Endorsement **HO 17 52** Unit-Owners Coverage "A" - Special Coverage.

## **218. No Prior Insurance**

All HO 4 applicants not providing proof of prior insurance shall be subject to a 10% surcharge. This surcharge will also be applicable if there has been a lapse in coverage which exceeds 30 days from the effective date of the Southern Oak policy.

This surcharge will remain in effect for one year from the policy effective date to which this surcharge applies. Any lapse, or short-term coverage, during the compliance period will cause the mandatory surcharge period to begin anew.

Proof of prior insurance shall be in the form of a copy of a current or preceding term declaration page, offer of renewal from previous carrier, cancellation notice, notice of non-renewal or other acceptable documentation as determined by Southern Oak.

**Not applicable to HO 3 or HO 6 policies.**

## **217. Additions and Alterations**

**Available on HO-6 policies only.**

### **A. Basic Limits, Coverage "A"**

The policy automatically provides a basic Coverage "A" limit of \$1,000 on a named peril basis. If increased limits are not desired, enter "\$1,000" under Coverage "A" — Dwelling on the Declarations pages.

### **B. Increased Limits, Coverage "A"**

The Section I Perils Insured Against may be increased. The premium is developed based on the additional limit of insurance. The rate for each additional \$1,000 of insurance is developed by multiplying the HO 6 Key Factor for "Each Additional \$1,000" by the HO 6 Key Premium.

### **C. Special Coverage**

The Section I Perils Insured Against may be broadened to cover additional risks of loss. The additional premium is developed as follows:

1. Charge per policy for \$1,000 in basic form: \$2
2. Rate for each additional \$1,000 for Coverage "A": \$1

**219. Family Day Care in the Home**

- A. Southern Oak provides coverage for Family Day Cares in the home as outlined below.
- B. Eligible for coverage, **including Personal Liability Coverage:**
  1. Registered or Licensed: Family Day Care Homes registered in Florida or license in counties requiring licensure are eligible.
  2. Registration or License not required: Family Day Care Homes not required by law to be registered and/or licensed are eligible.
- C. Not Eligible for coverage:
  1. A separate unattached dwelling or mobile home used for residential purposes which is located on the residence premises where a day care business is located
  2. Home Day Care operations not registered where required by Florida law or not licensed in Counties that require licensure.
  3. Any childcare operations not included within the provisions of this rule.

**D. Definition of a Family Day Care Home:**

Family Day Care in the Home is defined as an occupied residence in which childcare is regularly provided for children for more than one unrelated family and which receives a payment, fee, or grant for any of the children receiving care, whether or not operated for profit.

A Family Day Care Home shall be allowed to provide care for only one of the four following groups of children, which includes those children under 13 years of age who are related to the caregiver:

1. A maximum of 4 children from birth to 1 year old.
2. A maximum of 3 children from birth to 1 year old, and other children, for a maximum total of 6 children.
3. A maximum of 6 preschool children if all are older than 1 year old.
4. A maximum of 10 children if no more than five are preschool age and of those five, no more than 2 are under 1 year old.

Note: If Personal Liability Coverage is provided under Paragraph "A", a copy of a Certificate of Insurance to Southern Oak from the insurer provided Commercial Liability on the Family Day Care

Home at limits equal to or greater than Southern Oak's Personal Liability limits of liability is required.

Note 2: A copy of the Florida Department of Children & Family "Family Child Care Home Certificate of License" if required to be licensed by the State of Florida, or a copy of the Child Care License by the County, if required to be licensed by the County. (Only a copy of the Florida License or County License is required.)

To confirm registration and/or licensing requirements, contact the Florida Department of Children & Families for a current listing of counties.

**220. Loss Assessment Coverage****Residence Premises**

HO3 and HO4 policy forms automatically include \$1,000 of loss assessment coverage, excluding the peril of earthquake, for assessments relating to the residence premises. The HO6 policy form automatically includes \$2,000 of loss assessment coverage. These limits may be increased if no association losses have occurred to which this coverage may apply.

Attach Endorsement **HO 04 35-** Loss Assessment Coverage for HO3 and HO4 policies. Attach Endorsement **SOI 04 23 - Loss Assessment Coverage - Condominiums** for HO6 policies.

Refer to the Premium Table shown below for additional premium.

Territory	HO3&4 \$2,000 Limit/ Premium	HO3&4 \$3,000 Limit/ Premium	HO6 \$3,000 Limit/ Premium
005	\$8	\$15	\$7
007, 031	7	14	7
030, 032, 033, 034	7	13	6
035, 361, 362	6	12	6
037	6	11	5
038	5	11	6
010, 181, 182, 183	5	10	5
042, 080, 081	5	9	4
041, 046, 047, 057, 062, 159, 531, 532, 533, 541, 542, 551, 552, 553, 554, 555, 561, 562, 581, 582, 583, 591, 592, 594, 595, 596, 601, 602, 603-609, 701, 702, 711-715, 721-726, 731-737	4	9	5
039, 040, 043, 049, 050, 063, 064, 090, 192, 193, 292, 293, 392, 393, 492, 493, 511, 512, 593, 692, 693, 792, 793, 892, 893, 921, 922, 923, 931, 932, 933, 934, 992, 993	4	8	4

**221. Scheduled Personal Property**

Coverage may be provided for the following categories of items on a scheduled personal property basis subject to the following limits and rates:

Category of Property	Maximum Class Amount	Rate Per Hundred
Jewelry, including Watches	\$50,000	\$2.00
Furs	\$25,000	\$0.40
Cameras & Equipment	\$20,000	\$1.75
Musical Instruments	\$10,000	\$0.60
Silverware	\$25,000	\$0.60
Golf Equipment	\$10,000	\$1.40
Fine Arts (No Breakage)	\$25,000	\$0.75
Antiques	\$25,000	\$0.75
Postage Stamps	\$10,000	\$0.50
Rare & Current Coins	\$10,000	\$1.85
Guns – Collectible	\$10,000	\$1.00
Guns – Fired	\$10,000	\$1.60

Use Endorsement **HO 04 -61** – Scheduled Personal Property.

1. Proper descriptions of the scheduled personal property is required on all items insured at \$2,500 or more by providing one of the following:
  - a) Bill of Sale dated within the past year (description of the item must be included on the bill of sale), or
  - b) Certified appraisal dated within the past two years which includes a detailed description of each item to be insured.
2. A detailed description including the serial or model numbers is required on all items insured under \$2,500.

**NOTE:** No property in any category may be scheduled if the insured has had any theft or mysterious disappearance loss (whether covered by insurance or not) within the past thirty-six (36) months prior to the requested effective date of the endorsement.

**222. Section II – Liability and Medical Payments, Increased limits****A. Residence Premises**

1. The minimum limit of liability for Coverage "E" (Personal Liability) is \$100,000 CSL and for Coverage "F" (Medical Payments to Others) is \$2,000 per person. The premium for these limits is included in the **BASE PREMIUM**.

2. The additional charge to increase Coverage "E" Liability is:

LIMIT	RATE
\$300,000	\$20

3. The additional charge to increase Coverage "F" Liability is:

LIMIT	RATE
\$3,000	\$5
\$4,000	\$7
\$5,000	\$9

Limits higher than \$300,000 Coverage "E" and \$5,000 Coverage "F" are not available.

**223. Windstorm or Hail Exclusion**

- A. The peril of Windstorm or Hail must be excluded if the property is in a Citizens Wind Only eligible area.
- B. Windstorm or Hail may be excluded in areas not eligible for a Citizens "WIND ONLY" policy provided a request to exclude this coverage is received in compliance with Florida Statute 627.712.
- C. When the peril of Windstorm or Hail is excluded from coverage under Section I of the policy, develop the **BASE CLASS PREMIUM** as follows:
  1. Determine the appropriate credit from the Windstorm or Hail Exclusion column of the Rating Table.
  2. Subtract this credit from the **BASE CLASS PREMIUM**.

Use Endorsement **HO 04 89** Windstorm or Hail Exclusion.

**224. Other Structures****A. When insurance is written on a specific structure on the residence premises for:**

- Increased limits, or
- Rented to others for residential purposes. The rates per \$1,000 of insurance shown below shall apply separately to each structure.

**1. Increased Limits - Up to 30% of Coverage "A"**

If coverage is desired in excess of the 10% of Coverage "A" automatically provided on the policy, additional limits not to exceed 30% of Coverage "A" are available.

Rate per \$1,000 of additional insurance . . . . . \$4

Use Endorsement **HO 04 48** Other Structures on the Residence Premises.

**2. Rented to Others - Residence Premises**

Use the sum of:

- a) \$6 per \$1,000 of insurance, and
- b) A premium of **\$38** for the increased Coverage "E" and Coverage "F" exposure.

Use Endorsement **HO 04 40** Structures Rented to Others - Residence Premises.

**B. Decreased Limits – Coverage B Exclusion**

1. The Coverage B limit of liability may be reduced to 5%, 2% or (excluded) 0% of Coverage A. Changes may only be effective on the policy anniversary dates except with documentation of midterm changes in risk and prior underwriting approval.
2. Multiply the BASE PREMIUM by the appropriate factor below.

<b>Reduction to</b>	<b>With Wind Credit</b>	<b>X-Wind Credit</b>
5%	.004	.001
2%	.013	.002
Exclusion	.034	.003

3. To exclude Other Structures, use Endorsement **SOI 04 24** - Exclusion of Coverage B - Other Structures.

**225. Seasonal or Secondary Residence**

A seasonal or secondary residence that is unoccupied by the owner more than three (3) consecutive months may be eligible for coverage if it has a central station fire and burglar alarm, and is not rented to others. A premium surcharge will be applied based on the following:

- A. Seasonal or secondary residence is located in a Secured Community or managed by a professional management firm that provides exterior maintenance and/or provides regularly scheduled inspection service. The additional premium is computed by multiplying the ALL OTHER PERILS AND WIND BASE PREMIUMS by 10%.**

- B. Seasonal or secondary residence that is not located in a Secured Community or managed by a professional management firm but is overseen on a regular basis by a reputable neighbor, friend or relative living within 50 miles of the residence. The additional premium is computed by multiplying the ALL OTHER PERILS AND WIND BASE PREMIUMS by 20%.**

Note 1: A copy of the fire and burglar alarm certificate and monitoring receipt must be submitted.

Note 2: A seasonal residence unoccupied more than three (3) consecutive months that does not meet the criteria of paragraphs A or B above, is unoccupied more than 9 consecutive months, or is rented to others is not eligible for homeowners program.

**226. Golf Cart – Physical Loss Coverage**

Coverage for golf cart physical damage coverage may be added to the policy at an additional charge of \$45 per golf cart. Provides:

Coverage C – Personal Property of \$ 5,000

Physical Damage Losses will be settled at actual cash value at the time of loss up to the above maximum.

Attach **SOI 04 07** – Owned Motorized Golf Cart Physical Loss Coverage.

**227. Earthquake Coverage**

The policy may be endorsed to provide coverage against a loss resulting from the peril of Earthquake. This peril shall apply to all Section I Coverages for the same limits provided in the policy.

The deductible for this peril is 5% of the limit of liability for either Coverage A or C, whichever is greater, and is subject to a \$250 minimum. This deductible may not be changed. In the event of an Earthquake loss to covered property, the dollar amount is deducted from the total of the loss for Coverages A, B, and C.

Develop the Earthquake premium as follows:

1. Select the rate per \$1000 in coverage for the appropriate Form/Construction combination from the following table. If exterior Masonry Veneer is covered, rate as Masonry; if not covered, rate as Frame.

<b>Form/Construction</b>	<b>Rate per \$1000</b>
HO3/Frame	\$0.23
HO3/Masonry	\$0.74
HO3/Superior	\$0.31
HO4 or HO6/Frame	\$0.15
HO4 or HO6/Masonry	\$0.49
HO4 or HO6/Superior	\$0.15

2. Multiply the rate determined in step 1 by the sum of Coverage A, Coverage B, Coverage C, and any additional Section I coverages except Coverage D. Ordinance & Law coverage in the amount of 25% of Coverage A should be included.

The result is the Earthquake Premium.

Attach **HO 04 54** - Earthquake.

## **228. Incidental Occupancy**

A. Coverage for a permitted incidental occupancy is limited under Section I and excluded under Section II. The policy may be endorsed to provide expanded Section I coverage and Section II coverage on a permitted incidental occupancy in the dwelling or in another structure on the residence premises.

Use Endorsement **HO 04 42** — Permitted Incidental Occupancies —Residential Premises, for Sections I and II Coverage.

### B. Permitted Incidental Occupancies

Examples of permitted incidental occupancies are offices, schools or studios meaning offices for business or professional purposes, and private schools or studios for music, dance, photography and other instructional purposes.

C. If the permitted incidental occupancy is located in another structure, Coverage "B" does not apply to that structure. See E. below for rates for specific insurance on the structure.

D. The permitted incidental occupancies endorsement also covers personal property pertaining to the permitted incidental occupancy within the Coverage "C" limits stated in the Declarations.

### E. Premium Calculation

#### Section I - Property

1. If the permitted incidental occupancy is located in the dwelling, no additional charge is made.
2. If the permitted incidental occupancy is another structure, charge **\$6** per \$1,000 of specific insurance on the structure.

### F. Limit of Coverage

The limit of Coverage for Incidental Occupancy is 30% of Coverage A. If no Coverage A exists on the policy, the limit is 30% of Coverage C.

#### Section II - Liability

The policy may be endorsed to provide coverage for the increased exposure arising from a permitted incidental occupancy on the residence premises. Use Endorsement **HO 04 42** Permitted Incidental Occupancies - Residential Premises and charge a flat **\$18** for the residence premises.

## **229. Jewelry and Furs**

The base policy limit of \$1,500 may be increased as follows.

<b>Additional Limits</b>	<b>Premium</b>
\$1,500 per item / \$2,000 total limit	\$16
\$1,500 per item / \$3,000 total limit	\$32
\$1,500 per item / \$4,000 total limit	\$48
\$1,500 per item / \$5,000 total limit	\$64

Attach **SOI 04 05** – Coverage C Increased Special Limits.

## **230. Silverware**

The base policy limit of \$2,500 may be increased up to \$10,000 in increments of \$500 at a cost of \$3.25 per \$500.

Attach **SOI 04 05** – Coverage C Increased Special Limits.

## **231. Units Regularly Rented to Others**

A. Form **SOI 2000 06** provides exclusions for Coverage "C" - Personal Property and Section II Liability when the residence premises is regularly rented or held for rental to others. The policy must be endorsed to eliminate these exclusions.

B. The Coverage "C" minimum limit of liability may not be less than \$6,000.

### C. Premium:

Multiply the **SOI 2000 06** Coverage "C" **BASE PREMIUM** (reflecting the credit or surcharge for optional deductibles) by a factor of .25.

Use Endorsement **HO 17 33** Unit-Owners Rental to Others.

## **232. Personal Property - Increased / Reduced Limits**

### **HO 3 Policies Only.**

#### A. Increased Limit

The limit of liability for Coverage "C" may be increased up to 70% of Coverage "A".

Rate per \$1,000 of insurance: ..... \$2

#### B. Reduction in Limit

The limit of liability for Coverage "C" may be reduced to 0% of the limit for Coverage "A".

Credit per \$1,000 of insurance: ..... \$1.78

## **233. Animal Liability**

Animal liability is excluded from the policy; however, it may be purchased for \$25. This endorsement provides a \$25,000 liability sub-limit and medical payments of \$2,000.

This endorsement may not be added for dangerous animals not intended for domestic habitation or breeds of dogs with vicious tendencies such as pit bulls, rotweilers, chows, and doberman pinschers. Additionally this endorsement is not intended for pets previously trained to attack or have a history of prior attacks.

Attach **SOI 04 03** – Animal Liability.

#### **234. Fungi, Wet or Dry Rot, or Bacteria Coverage**

##### **A. Section I – Property**

###### **1. Property Coverage Description And Application Of Limits Of Liability**

###### **a. Basic Limit**

The policy provides up to **\$10,000** of coverage to pay for loss to covered real or personal property, owned by an insured, that is damaged by fungi, wet or dry rot, or bacteria on the "residence premises".

###### **b. Increased Limits**

The basic limit may be increased, subject to appropriate underwriting and inspection, to **\$25,000** or **\$50,000** on a per loss basis. These increased limits are available, provided the Coverage A limit of liability exceeds or is equal to the increased limit requested (If no Coverage A, then Coverage C). These limits are offered for all new policies and at renewal for existing policies. **No mid term endorsements are acceptable.**

With respect to either increased limit option, **\$50,000** is the most coverage that will be provided for the total of all losses which occur during the policy period regardless of the number of locations insured for Limited Fungi, Wet Or Dry Rot, Or Bacteria Coverage or the number of claims made.

###### **c. Endorsement**

For increased limits, use Limited Fungi, Wet Or Dry Rot, Or Bacteria Coverage For Section I – Property Coverages Endorsement **SOI 04 08**. Enter the selected limit on the application or endorsement.

##### **2. Premium Computation**

###### **a. Basic Limits**

There is no premium adjustment.

###### **b. Increased Limits**

\$25,000 - \$45 policy charge

\$50,000 - \$72 policy charge

Refer to rating worksheet for rating steps.

##### **B. Section II – Liability**

###### **1. Liability Coverage Description And Application Of Limits Of Liability**

The policy provides up to **\$50,000** of coverage to pay for damages because of bodily injury or property damage involving the inhalation of, ingestion of, contact with, exposure to, existence of, or presence of any fungi, wet or dry rot, yeast or bacteria. Additional limits are not available.

#### **235. Hurricane Coverage – Screened Enclosure(s)**

The policy may be endorsed to provide coverage to screened enclosures against a loss resulting from the peril of windstorm during a hurricane as follows by multiplying the BASE CLASS PREMIUM X KEY FACTOR X HURRICANE PREMIUM PERCENTAGE by the factor indicated below:

<b>Additional Limits</b>	<b>Factor</b>
\$5,000	.024
\$10,000	.047
\$15,000	.071
\$20,000	.094
\$25,000	.118
\$30,000	.141
\$35,000	.165
\$40,000	.189
\$45,000	.212
\$50,000	.236

Attach **SOI 04 13** – Hurricane Coverage – Screened Enclosure(s)

#### **236. Optional Sinkhole Loss Coverage (HO 00 03 only)**

For all new business, the base policy covers Catastrophic Ground Cover Collapse as defined by Florida Statute 627.706. Sinkhole Coverage is **excluded** in the base policy but may be purchased for an additional premium, subject to prior underwriting approval.

The premium credit for the exclusion of this coverage is determined as follows: Base Premium multiplied by the appropriate Sinkhole Coverage Exclusion Credit Factor found on the Base Rate Table.

To select the optional Sinkhole Loss Coverage, a Sinkhole Loss Coverage Endorsement Request (SOI SLC) form must be completed and submitted with an approved structural inspection of the dwelling for underwriting review. The inspection will document existing damage, evaluate the structural integrity of the dwelling, and verify that there is no current sinkhole activity.

An "approved" inspection service is one that has been designated by us as competent to perform the evaluation, and whose report format meets our informational requirements. The insured will contract directly with the Approved inspection service and pay an arranged fee, which will be one half of the amount we have negotiated

with the inspection service. We will pay the other half and both parties will receive a copy of the inspection. The inspection fee will not be refundable no matter how the underwriting decision is reached.

Structures that have substantial cracking, shifting of the house on its foundation, doors that will not close properly, visible depressions or voids in the ground may only be eligible for Catastrophic Ground Cover Collapse.

For renewals, sinkhole loss related coverage changes can only be made at renewal. Midterm changes are not allowed. Existing policies that do not have Sinkhole Loss Coverage and wish to add this coverage at renewal must submit a completed Sinkhole Loss Coverage Endorsement Request (SOI SLC) form along with an approved structural inspection to underwriting for review and approval as outlined above for new business.

A 10% Sinkhole Deductible will apply to all policies that include Sinkhole Loss Coverage. The premium credit for the Sinkhole Deductible is determined as follows: Base Premium multiplied by the appropriate Sinkhole Coverage Exclusion Credit Factor found on the Base Rate Table multiplied by 0.10. A minimum \$1 credit will apply.

### **237. Identity Theft or Identity Fraud Expenses Coverage**

This endorsement provides limited coverage to pay for expenses incurred by an insured as a direct result of any single identity theft or fraud first discovered or learned of during the policy period. No deductible applies to this coverage. This endorsement provides coverage up to a limit of \$25,000 and may be purchased for \$25.00.

Attach **SOI 04 21** – Identity Theft or Identity Fraud Expenses Coverage.

### **238. Building Code Effectiveness Grading Schedule (BCEGS)**

**Not applicable when the peril of Windstorm or Hail is excluded.**

#### **A. General**

1. The Building Code Effectiveness Grading Schedule (BCEGS) develops a grade of “1” to “10” for a community based on the adequacy of its building code and the effectiveness of its enforcement of that code. Policies which cover the perils of Windstorm or Hail may be eligible for special rating treatment, subject to the criteria in the following paragraphs.
2. In some communities, two BCEGS grades may be assigned. One grade will apply to one and two family dwelling buildings and/or personal property contained in such buildings. The other grade will apply to all other buildings occupied for residential, commercial and/or manufacturing purposes including personal and business property contained therein

3. The BCEGS grades for a community, and their effective dates, are provided in the Protection Class/BCEGS section of this Manual.
4. A Building Code Compliance rating factor does not apply when the peril of Windstorm or Hail is excluded from the policy.

#### **B. Community Grading**

1. The BCEGS grade applies to any building that has an original certificate of occupancy/completion dated in the year of the effective date of the community grading, or later.
2. If a community is re-graded, the factor for the revised grade applies to buildings that have an original certificate of occupancy dated the year of the revised grading, or later.
3. If, due to an addition or alteration, the original building is changed to comply with the latest building code, the factor for the community grading applicable at the time the reconstruction is completed will apply to such building.
4. Communities that decline to participate in the BCEGS Program will be identified as not participating and will receive a premium surcharge, unless they qualify for Individual Grading. This surcharge will apply to any building that has an original certificate of occupancy dated in the year of the effective date of the community evaluation that indicates the community as not participating.

#### **C. Individual Grading**

Where buildings have been built in full conformance with the natural hazard mitigation elements of one of the nationally recognized building codes, even though the community grade is greater than “1”, or the community is not participating in the program, exception rating procedures may apply.

Any building may be classified as Grade one “1” for Windstorm/Hail upon certification by a Florida licensed architect or structural engineer, based on an on-site inspection, that such building is in compliance with one of the three nationally recognized building codes with respect to mitigation of the Windstorm and/or Hail hazard. This classification is effective only from the date of the certification.

Any costs associated with this provision are to be paid by the insured.

**Note:** Submit “Individual Property Certification”, **SOI 04 04**.

#### **D. Ungraded and Non-Participating Risks**

Buildings which do **not** qualify for Community or Individual Grading are classified as ungraded or non-participating risks. Do **not** classify as Grade “10”.

#### **E. Premium Computation**

##### **Homeowners – Community Grading**

The discount or surcharge due to BCEGS is incorporated into the Adjusted WLM Factor. See the Windstorm Mitigation Features Rule.

**239. Windstorm Mitigation Features**

- A.** For policies that cover the peril of Windstorm or Hail, a premium credit may be available if one or more of the following loss mitigation features or construction techniques exists:
- a. Roof Covering;
  - b. Roof Deck Attachment;
  - c. Roof-Wall Connection;
  - d. Opening Protection;
  - e. Roof Shape; or
  - f. Secondary Water Resistance

The credit recognition and description of the loss mitigation features listed above are outlined in the Loss Mitigation Credits Table contained in Paragraph F. below.

**B. Proof of Compliance**

Southern Oak requires proof to substantiate the existence of loss mitigation features displayed in the Loss Mitigation Credit tables, except roof shape that is verifiable via a photograph.

Southern Oak's Underwriting system will default loss mitigation features displayed in the Loss Mitigation Credit tables to values that return the least amount of credit. Proof to substantiate the existence of loss mitigation features will be required when values other than the defaults are selected, except roof shape that is verifiable via a photograph. Photographs of the entire roof may be submitted as proof of hip shape if the photographs can accurately verify the primary roof shape is hip with no other roof shapes greater than 10% of the total roof perimeter.

Mitigation affidavits/forms are available on Southern Oak's website to verify mitigation features and obtain additional premium credits. The insured is responsible for the expense associated with the use of these forms or any other costs for substantiating the existence of the mitigation features.

Exceptions to use of forms listed above:

- **Year built on or after January 1, 2002:** Structures built on or after January 1, 2002, are eligible for the ***minimum FBC 2001*** credit by providing documentation that validates the year of construction. Acceptable documents include: certification of occupancy, copy of property appraisal or any other document Southern Oak deems acceptable. Additional credits may be obtained by completing a mitigation verification affidavits.

- **Year built 2002 or later (Dade and Broward County ONLY):** Type II and Type III structures built on or after January 1, 2002 in Dade or Broward County are eligible for ***Opening Protection Class A*** credit by providing documentation that validates the year of construction. Acceptable documents include certification of occupancy, copy of property appraisal or any other document Southern Oak deems acceptable.

**C. Wind Design – 1 to 4 Units built on or after January 1, 2002.**

FBC 2001 establishes base (e.g. minimum) Wind Design Speeds (WDS) for each FBC Wind Speed zone. When WDS of the structure (e.g. 1-4 unit buildings built on or after January 1, 2002) exceeds the basic speed design of the wind speed zone, certification is required for premium credit.

**NOTE:** For year built on or after January 1, 2002, Dade and Broward counties do not require WDS certification as county WDS develops maximum WDS premium credit. (SWR and opening protection still requires affidavit).

**D. Premium Credit Computation**

1. **Capping.** A minimum combined WLM/BCEG factor of 0.10 (a 90% credit) applies.
  - First determine the BCEG factor. If the BCEG adjustment from the BCEG table is a credit, subtract the listed credit from 1. If the adjustment is a surcharge, add 1 to the surcharge amount.
  - Then determine the Unadjusted WLM factor. This is equal to 1 minus the credit percentage from the WLM tables.
  - Then multiply the BCEG Factor by the Unadjusted WLM Factor.
  - If the result is less than 0.1, then the Adjusted WLM Factor is set to 0.1. Otherwise, the Adjusted WLM Factor equals the Unadjusted WLM Factor times the BCEG Factor.
2. **Application.** The Adjusted WLM Factor is applied to the wind portion of the initial policy premium, according to the Wind/Nonwind Computation Rule.

## E. Residential Classification Definitions:

### 1. Terrain Exposure Category Definitions

Apply Exposure Category (terrain) definitions from the Florida Building Code as follows:

#### a. Exposure C (open terrain with scattered obstructions) applies to:

- All locations in HVHZ (Miami-Dade and Broward Counties); including.
- Barrier islands as defined per s. 161.55(5), Florida Statutes, as the land area from the seasonal high water line to a line 5,000 feet landward from the Coastal Construction Control line.
- All other areas with 1,500 feet of the coastal construction control line, or within 1,500 feet of the mean high tide line, whichever is less.

#### b. Exposure B (urban, suburban, and wooded areas) practically applies to all other locations in Florida by virtue of the exposure definitions for other exposures.

### 2. Building Types (applies to 5+ units only)

- **Type I** – Buildings that are 3 stories or less.
- **Type II** – Buildings that are 4 to 6 stories.
- **Type III** – Buildings that are 7 stories or more.

### 3. Roof Coverings

#### a. For 1 to 4 unit buildings and 5+ unit – Type I buildings:

- **FBC Equivalent** – All roof coverings that meet the minimum requirement of the 2001 Florida Building Code or the 1994 South Florida Building Code (for the HVHZ only) and have a FBC or Miami-Dade product approval that is/was current at the time of installation.
- **Non-FBC Equivalent** – One or more roof coverings that do not meet the FBC Equivalent definition.
- **Reinforced Concrete Roof Deck** - A roof structure composed of cast-in-place or pre-cast structural concrete designed to be self-supporting and integrally attached to wall/support system.

#### b. For 5+ unit – Type II and Type III buildings:

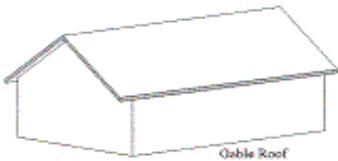

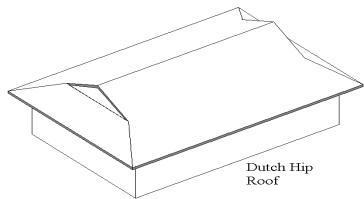

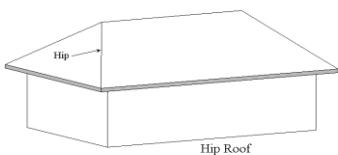

- **Level B:** To qualify as a Level B roof cover, the roof cover must be one of the following accepted roof cover types:
  - a) Built-Up;
  - b) Modified Bitumen;
  - c) Sprayed Polyurethane foam;
  - d) Liquid membrane applied over concrete;
  - e) Asphalt roll roofing;
  - f) Wood shakes in good condition, attached with at least two mechanical fasteners;
  - g) Ballasted roof designed to meet the local wind speed requirements; or
  - h) Asphalt roof coverings installed in accordance ASTM D 3161 (modified for 110 mph) or Miami Dade County PA 107-95.

And meet the following conditions:

- a) Any flat roof covering with flashing or coping must be mechanically attached to the structure with face fasteners (no clip/cleat systems)
- b) Roof coverings on flat roofs must be 10 years old or less.
- c) All mechanical equipment must be adequately tied to the roof deck to resist overturning and sliding during high winds.
- **Level A:** All roof cover types and configurations that do not meet Level B.

### 4. Roof Shape

- **Hip** - roof having sloping ends and sloping sides down to the eaves line. To receive credit, the primary roof shape must be hip with no other roof shapes greater than 10% of the total roof perimeter.
- **Gable** – The portion of the roof above the eaves line of a double-sloped roof; the end section appears as an inverted V.
- **Flat** – A horizontal roof with a pitch less than 10 degrees.

## 5. Roof Deck Attachments

- a. **For 1 to 4 unit buildings and 5+ unit – Type I buildings:**
- **Attachment A** – Plywood/OSB roof sheathing attached to roof trusses/rafters by 6 penny nails (2" x 0.131" diameter) or greater which are properly spaced at a maximum of 6" along the edge and 12" in the field on 24" truss/rafter spacing.

**OR**

Batten decking or Skipped decking (typically used on roof decks supporting wood shakes or wood shingles).

**OR**

Any system of screws, nails, adhesives, other roof deck fastening systems or truss/rafter spacing that has an equivalent mean uplift resistance of 55 pounds per square foot or more as evidenced by laboratory uplift tests on full size sheets of plywood/OSB.

- **Attachment B** – Plywood/OSB roof sheathing with a minimum thickness of 1/2" attached to roof trusses/rafters by 8 penny (2.5" x 0.131" diameter) nails or greater which are properly spaced at a maximum of 6" along the edge and 12" in the field on 24" truss/rafter spacing

**OR**

Any system of screws, nails, adhesives, other roof deck fastening systems, or truss/rafter spacing that has an equivalent mean uplift resistance of 103 pounds per square foot or more as evidenced by laboratory uplift tests on full size sheets of plywood/OSB.

- **Attachment C** – Plywood/OSB roof sheathing with a minimum thickness of 1/2" attached to roof trusses/rafters by 8d nails (2.5" x 0.131" diameter) which are properly spaced at a maximum of 6" along the edge and 6" in the field on 24" truss/rafter spacing

**OR**

Dimensional Lumber or Tongue & Groove deck roof composed of  $\frac{3}{4}$ " thick boards with nominal widths of 4" or more.

**OR**

Any system of screws, nails, adhesives, other roof deck fastening systems, or truss/rafter spacing that has an equivalent mean uplift resistance of 182 pounds per square foot or more as evidenced by laboratory uplift tests on full size sheets of plywood/OSB.

- b. **For 5+ unit – Type II and Type III buildings:**

- **Attachment A (Wood or Other)**
  - a. Roof deck composed of sheets of structural panels (plywood or OSB)
  - b. Architectural (non-structural) metal panels that require a solid decking to support weight and loads.
  - c. Other roof decks that do not meet Attachment levels B or C.
- **Attachment B (Metal Deck)**
  - a. Metal roof deck made of structural panels that span from joist to joist.
- **Attachment C (Reinforced Concrete Roof Deck)**
  - a. A roof structure composed of cast-in-place or pre-cast structural concrete designed to be self-supporting and integrally attached to wall/support system.

**Note:** If roof deck type is unknown, deck should be classified as Attachment A.

## 6. Secondary Water Resistance

### a. For 1 to 4 unit buildings and 5+ unit – Type I buildings:

A self-adhering polymer modified bitumen roofing underlayment (thin rubber sheets with peel and stick underside located beneath the roof covering and normal felt underlayment) with a minimum width of 6" meeting the requirements of ASTM D 1970 installed over all plywood/OSB joints to protect from water intrusion. All secondary water resistance products must be installed per the manufacturer's recommendations. Roofing felt or similar paper based products are not acceptable for secondary water resistance.

**OR**

A foamed polyurethane sheathing adhesive applied over all joints in the roof sheathing to protect interior from water intrusion.

### b. For 5+ unit – Type II and Type III buildings:

- **For Wood Decks:**

A self-adhering polymer modified bitumen roofing underlayment (thin rubber sheets with peel and stick underside located beneath the roof covering and normal felt underlayment) with a minimum width of 6" meeting the requirements of ASTM D 1970 installed over all plywood/OSB joints to protect from water intrusion. All secondary water resistance products must be installed per the manufacturer's recommendations. Roofing felt or similar paper based products are not acceptable for secondary water resistance.

**OR**

A foamed polyurethane sheathing adhesive applied over all joints in the roof sheathing to protect interior from water intrusion.

- **For Metal Decks:**

Roofing tar is applied to all connections where mechanical fasteners penetrate the metal deck.

- **For Reinforced Concrete Roof Deck**

Not applicable.

## 7. Roof-Wall Connection

- **Toe-Nail** – Rafter/truss anchored to top plate of wall using nails driven at an angle through the rafter/truss and attached to the top plate of the wall.
- **Clips** – Metal clips installed on each truss/rafter that attach to the side only of the truss/rafter

member and to the wall frame. Metal clip should be free of severe corrosion, have a minimum of 3 nails into the truss/rafter and 3 nails into the wall.

- **Single Wraps** – Metal straps installed on each truss/rafter that wrap over the top of the truss/rafter and attach to the wall frame in one location. Metal strap should be free of severe corrosion, have a minimum of 3 nails into the truss/rafter and 3 nails into the wall.

- **Double Wraps** – Metal straps installed on each truss/rafter that wrap over the top of the truss/rafter and attach to the wall frame in two locations. Metal strap should be free of severe corrosion, have a minimum of 3 nails into the truss/rafter and 3 nails into the wall at each location.

## 8. Opening Protection

- **Class A (Hurricane Impact)** – All exterior openings in buildings (doors, windows, skylights and vents, other than roof ridge, gable, soffit and plumbing vents) or all glazed exterior openings must be fully protected with impact resistant coverings (e.g. shutters), impact resistant doors, and/or impact resistant glazing that meet the requirements of one of the following:

- a. SSTD12;
- b. ASTM E 1886 and ASTM E 1996(Missile Level C – 9 lb);
- c. Miami-Dade PA 201, 202, and 203; or
- d. Florida Building Code TAS 201, 202 and 203.

- **Class B (Basic Impact)** – Applicable only to buildings with 1-4 units built before 2002. All exterior openings in buildings (doors, windows, skylights and vents, other than roof ridge, gable, soffit and plumbing vents) or all glazed exterior openings must be fully protected with impact resistant coverings (e.g. shutters), impact resistant doors, and/or impact resistant glazing that meet the requirements of ASTM E 1886 and ASTM E 1996 (Missile Level B – 4.5 lb).

- **None** – All other cases, including unprotected glazed openings.

## 9. FBC Wind Speed

Design wind speed (3 second gust) for site location as determined by the wind speed map in Figure 1606 of the Florida Building Code.

Southern Oak *underwriting system* develops the FBC Wind Speed of the location of structure. Maps of county wind speed zones are found at [www.southernaokins.com](http://www.southernaokins.com).

**10. FBC Wind Design**

Wind speed (3 sec gust) for which the structure is designed to withstand according to the FBC 2001.

FBC 2001 establishes basic (e.g. minimum) Wind Design Speeds (WDS) for each FBC Wind Speed zone. When WDS of the structure (e.g. 1-4 unit buildings built on or after January 1, 2002) exceeds the basic speed design, certification is required for premium credit.

Note: Dade and Broward counties do not require certification as county WDS develops maximum WDS premium credit.

**11. SBC Design Speed**

For Type II and Type III multifamily buildings, the wind speed (3 sec gust) for which the structure is designed to withstand according to the Southern Building Code 1976 or 1988.

**12. SBC Design Exposure**

For Type II and Type III multifamily buildings, the exposure type (similar to FBC terrain) for which the structure is designed according to the Southern Building Code 1976 or 1988.

**F. Loss Mitigation Credits Table for Multi-Peril**

Select the appropriate loss mitigation factor from the following table:

Note: For townhouse or rowhouse, use 1 to 4 unit tables regardless of number of units in the building.

**Loss Mitigation Credits for 1 to 4 units - Multi-Peril – Terrain B**

(This chart is not applicable to renter contents and condominium unit owner in a building with 5 or more units or mobile homes.)

**240. FLOOD COVERAGE**

The peril of flood is excluded in the base policy. For an additional premium, the policy may be endorsed to provide coverage for flood. Coverage is provided according to the terms and conditions of the Flood Coverage Endorsement SOI GL FCE. This endorsement is not available for any policyholder who is separately provided flood insurance through the National Flood Insurance Program or other insurance carrier. This endorsement does not increase the limit of liability for Coverage A. Flood Coverage has a separate deductible with the following options: \$500, \$1000, \$2500, \$5000, \$7500 and \$10000.

Limits of Coverage A – Building: \$100,000 to \$1,000,000

Limits of Coverage B – Contents: up to \$1,000,000

Ineligible risk locations included the following:

- homes located on barrier islands,
- homes within 2,500 feet of the Gulf coastline,
- homes within a 1,000 feet of the Atlantic coastline,
- homes located below the Base Flood Elevation,
- homes with prior flood losses, or
- properties located in communities not participating in the NFIP or in the NFIP Emergency Program

**Additional Premium:**

**Amount of Coverage A (Building) /\$100 x Rate per \$100 in table below x Deductible Factor x Elevation Credit**

**Amount of Coverage B (Contents) /\$100 x Rate per \$100 in table below x Deductible Factor x Elevation Credit**

Flood Rate Schedule – Rates per \$100	Building (A)	Contents (C)
<b>Flood Zones B, C, X</b>		
Pre-FIRM B, C, X Flood Zones – Non-Preferred	\$0.370	\$0.620
Post-FIRM B, C, X Flood Zones – Non-Preferred	\$0.370	\$0.620
<b>Preferred Rates:</b>		
With Basement	\$0.1314	\$0.1314
Without Basement	\$0.1183	\$0.1183
<b>Flood Zones A, D</b>		
Pre-FIRM A Zones (All) and D Zones	\$0.680	\$1.120
Post-FIRM D Zones	\$0.510	\$0.550
Post-FIRM AE, A1-A30 (all except unnumbered A Zones, AO & AH)		
No Elevation Certificate Available	\$2.960	\$3.830
0 Elevation Difference	\$0.450	\$0.310
1 Elevation Difference	\$0.210	\$0.190
2 Elevation Difference	\$0.140	\$0.160
Post-FIRM AO & AH without Elevation Certificate	\$0.400	\$0.300
Post-FIRM AO & AH with Elevation Certificate	\$0.110	\$0.160

# PREMIER HOMEOWNER ENDORSEMENT

## 300. Premier Homeowner Endorsement, SOI 04 20

To qualify for this endorsement, the following criteria must be met in addition to all underwriting guidelines and criteria outlined in Section 106, Binding Authority and Section 108, Uninsurable Properties of this manual not specifically noted in this section.

### A. Premier Program Binding Authority

1. Minimum Coverage A amount of \$750,000.
2. Maximum Coverage A amount of \$2,000,000.
3. Coverage A amounts in excess of \$2,000,000 and up to \$5,000,000 are available, but must be submitted on a non-binding basis to underwriting for approval.

### B. Deductibles

The Premier endorsement is offered at \$1,000 AOP and 2% hurricane deductible levels. Other options are available as outlined in Section 216 of this manual.

### C. Optional Coverage Limits

Any policy meeting the criteria as outlined in Section A above is eligible for the following optional coverage limits subject to any specific underwriting guidelines indicated .

1. The following **Coverage C special limits** may be increased:

- a. \$7,500 total limit for loss by theft of jewelry, watches, furs, precious and semi-precious stones.

Price: \$104

- b. \$5,000 for loss by theft of firearms and related equipments.

Price: \$68

- c. \$15,000 for loss by theft of silverware, silver-plated ware, goldware, gold-plated ware, platinumware, platinum-plated ware and pewterware. This includes flatware, hollow-ware, tea sets, trays and trophies made of or including silver, gold or pewter.

Price: \$81

- d. \$5,000 on property, on the "residence premises" used primarily for "business" purposes.

Price: \$23

- e. \$2,000 on property, away from the "residence premises" used primarily for "business" purposes. However, this limit does not apply to loss to electronic apparatus and other property described in Categories k. and l of SOI 2000 03.

Price: \$27

**Underwriting Guideline** – Any risk which is not a single family home and the primary residence is not eligible for any limits indicated in 1a. through 1e. above.

2. **Identity Theft or Identity Expenses Coverage** with a limit of \$25,000 as outlined in SOI 04 21.

Price: \$25

3. **Premier Package Discount** - If all optional coverages indicated in 1-2 **above** are desired, the insured may receive a discounted package rate.

Price: \$295

4. **Increased Coverage D, Loss of Use** to 15% of Coverage A.

Price: Multiply the BASE PREMIUM by .0020

5. **Increased Coverage E, Personal Liability** limit from \$300,000 to \$500,000.

Price: \$14

**Underwriting Guideline** - Any risk which is not a single family home and the primary residence or in which the applicant(s) has a high profile occupation, trade, or profession (e.g. celebrities, professional athletes, etc.) is not eligible for the \$500,000 limit.

**Note:** Premium above is in addition to the premium for \$300,000 (\$20) Coverage E using rates from Section 222 of this manual.

6. **Increased Hurricane Coverage – Screened Enclosure(s)** limits may be increased up to \$100,000 using the same rating calculation as outlined in Section 235 for the additional limits indicated below:

Additional Limits	Factor
\$60,000	0.283
\$70,000	0.330
\$80,000	0.378
\$90,000	0.425
\$100,000	0.472

## BASE PREMIUM COMPUTATION

### **301. BASE PREMIUM COMPUTATION**

- A.** The **BASE PREMIUM** is developed by multiplying a Key Premium by a Key Factor and rounding to the nearest whole dollar (\$0.50 or more rounded to the next higher whole dollar.)

#### **1. Form SOI 2000 03**

- a. From the Base Class Premium Table, select the **SOI 2000 03** premium for the territory that applies. When the risk is located in a Citizens' "WIND ONLY" eligible area, apply the windstorm exclusion credit to develop the Adjusted Base Class Premium.
- b. From the Classification Tables, select the Form and Protection/Construction Classification Factors that apply.
- c. Multiply the Base Class Premium (Adjusted) by the Form Factor (unrounded.)
- d. Multiply the result by the Protection / Construction Classification Factor to arrive at the Key Premium (unrounded.)
- e. From the Key Factor Table, select the Key Factor for the desired limit of liability. If the limit of liability is not shown in the tables, interpolate as illustrated in paragraph B. of this rule.
- f. Multiply the Key Premium from 1.d. by the Key Factor and round to the nearest whole dollar to arrive at the **BASE PREMIUM**.

#### **2. Forms SOI 2000 04 & SOI 2000 06**

- a. From the Base Class Premium Table, select the **SOI 2000 04** or **SOI 2000 06** premium for the territory that applies. When the risk is located in a Citizens' "WIND ONLY" eligible area, apply the windstorm exclusion credit to develop the adjusted Base Class Premium.
- b. From the Classification Tables, select the Protection / Construction Classification Factors that apply.
- c. Multiply the Base Class Premium by the Protection / Construction Classification Factor to arrive at the Key Premium (unrounded.)
- d. From the Key Factor Table, select the Key Factor for the desired limit of liability. If the limit of liability is not shown in the tables,

determine the factor as illustrated in paragraph B. of this rule.

- e. Multiply the Key Premium from 2.c. by the Key Factor and round to the nearest whole dollar to arrive at the **BASE PREMIUM**.

#### **B. Determination of Missing Key Factors**

1. When the desired limit of liability is less than the highest limit shown, determine the Key Factors using the nearest limit above and below the desired limit.

Example: \$203,000 desired limit; the nearest limits are \$200,000 and \$205,000.

For \$200,000 the Key factor is 2.851; for \$205,000 the Key Factor is 2.919. Figure the difference between the Key Factors and divide by 5. This provides a factor per \$1,000.

$$\begin{array}{r}
 2.919 \\
 - 2.851 \\
 \hline
 .068
 \end{array}
 \text{ divided by } 5 = .013$$

Multiply the factor per \$1,000 times 3, and add 2.851; the Key Factor for \$200,000.

$$\begin{array}{r}
 .013 \\
 \times \quad 3 \\
 \hline
 .039 + 2.851 = 2.890
 \end{array}$$

The result, 2.890, is the Key Factor for this example.

2. The factors shown in the above interpolation example are for illustration only and are not necessarily the factors shown in the Key Factor Table of this manual.

**302. WIND/NONWIND COMPUTATION**

---

Rating factors that apply only to the wind or nonwind portions of the premium are applied in the manner described below. These factors include the Adjusted WLM Factor, the Hurricane Deductible Factor, and the Year Built Factor, which apply to the wind portion, and the Age of Home Factor and the AOP Deductible Factor, which apply to the nonwind portion.

1. **Calculate Initial Premium.** The initial premium is the premium resulting from all other rates and relativities in this program except those that are applicable to the wind or the nonwind portion of premium. Do not include fees and assessments.
2. **Calculate Wind and Nonwind Portions of Initial Premium.** The wind portion of the initial premium is calculated by multiplying the initial premium by the windstorm discount factor for the policy's rating territory as shown in the base rate tables. The nonwind portion is the remaining part of the initial premium.
3. **Calculate Final Wind Premium.** The final wind premium is calculated by multiplying the wind portion of the initial premium by the Hurricane Deductible Factor by the Year Built Factor by the Adjusted WLM Factor.
4. **Calculate Unadjusted Nonwind Premium.** The unadjusted nonwind premium is calculated by multiplying the nonwind portion of the initial premium by the AOP Deductible Factor by the Age of Home Factor.
5. **Calculate Final Nonwind Premium.** If the final wind premium plus the unadjusted nonwind premium is less than the minimum premium from the Minimum Premium Rule, the final nonwind premium should be set to equal the minimum premium minus the final wind premium. Otherwise the final nonwind premium equals the unadjusted nonwind premium.
6. **Calculate Total Policy Premium.** Add the final wind premium to the final nonwind premium to obtain the final premium before fees and assessments. All fees and assessments that are calculated by multiplying the policy premium by a percentage should be calculated using this premium. The result after adding fees and assessments is the total policy premium.
7. **Calculate Hurricane and Nonhurricane Portions of Premium.** Find the Hurricane Premium Percentage and Windstorm Discount Factor applicable to the policy's rating territory. Divide the Hurricane Premium Percentage by the Windstorm Discount Factor, then multiply the result by the final wind premium to determine the hurricane portion of premium. The remainder of the total policy premium is the nonhurricane premium.

# CLASSIFICATION AND KEY FACTOR TABLES

**SOI 2000 03 Special Form (HO-3)**

**(1) FORM FACTORS**

HO-3 ..... 1.00

**(2) PROTECTION / CONSTRUCTION FACTORS**

<b>Protection</b>		<b>Construction*</b>	
<b>Class</b>	<b>Frame</b>	<b>Masonry</b>	
1-6	1.15	1.00	
7	1.60	1.06	
8, 8B, 1Y-8Y	1.60	1.06	
9, 1X – 8X	1.83	1.29	
10, 10W	2.35	1.29	

**Footnote**

\* Masonry Veneer is rated as Masonry. Aluminum or Plastic Siding over Frame is rated as Frame.

Policies zip codes not matched to a “Zip Code Group” need to be referred to Southern Oak’s home office for proper rating.

**CLASSIFICATION AND KEY  
FACTOR TABLES**

---

SOI 2000 04 Special Form (HO-4)

---

**(2) PROTECTION / CONSTRUCTION FACTORS**

<b>Protection Class</b>	<b>Construction*</b>	
	<b>Frame</b>	<b>Masonry</b>
1 - 6	1.05	1.00
7	1.30	1.00
8, 8B, 1Y – 8Y	1.30	1.00
9, 1X – 8X	1.70	1.47
10, 10W	2.22	1.62

**Footnote**

\* Masonry Veneer is rated as Masonry. Aluminum or Plastic Siding over Frame is rated as Frame.

Policies zip codes not matched to a “Zip Code Group” need to be referred to Southern Oak’s home office for proper rating.

**CLASSIFICATION AND KEY  
FACTOR TABLES**

---

SOI 2000 06 Special Form (HO-6)

---

**(2) PROTECTION / CONSTRUCTION FACTORS**

<b>Protection Class</b>	<b>Construction*</b>	
	<b>Frame</b>	<b>Masonry</b>
1 - 6	1.10	1.00
7	1.33	1.00
8, 8B, 1Y – 8Y	1.33	1.00
9, 1X – 8X	1.75	1.40
10, 10W	2.22	1.65

**Footnote**

\* Masonry Veneer is rated as Masonry. Aluminum or Plastic Siding over Frame is rated as Frame.
